NORTH SHORE FELLOWSHIP

*We are so glad you decided to worship, fellowship,
and hear God's Word with us today!*

*Our hope is that if you are seeking a church home
in which to grow and serve, that you will consider
being part of our fellowship.*

*If you have not made a commitment to Jesus as
Lord, why not make today your special day and give
your life to Him? We would be glad to speak and
pray with you about anything on your heart.*
